STUDY IN CANADA

| www.canusconsultants.com

CANADA at a glance

- Canada is the world's second largest country by area (In terms of territory)
- Canada has been graded as one of the best countries to live, by the apex governing body, United Nations.
- Canada is particularly known for its education and job opportunities which makes it a preferable country for relocation of prospective students.
- Strong presence of Gujarati, Punjabi and South Indian community.
- Minimum wage rates per hour is \$14.00 CAD*.
(depends upon province/territory you are living in)

Why Study in CANADA?

- Canadian students consistently score high in international tests, making Canada one of the world's top educational performers.
- Vast choice of undergraduate and post-graduate programs, as well as certificate and diploma courses, University transfers and short career-focused programs.
- Cutting edge technology and research labs.
- Programs with varying lengths of study from a few months to four years.
- Opportunities for co-operative education and internships, and international students can often work while they study.
- Programs designed with more exposure to practical learning that also offer quick work placements.
- Tuition fees range from \$15,000 to \$18,000 per year depending upon the program selected.
- After 2 years of full-time study completion, the duration of the work permit is up to 3 years across the country.

IELTS Requirement

Degrees / course Type	Duration of the course	Last education requirements	Standard IELTS Requirement*	Academic Eligibility
